Custom Design TRIBUTES

Custom tributes enable you to capture the true personality and character of your loved one. Custom memorials include special design elements and a wide array of distinctive color choices.

Leave a visual legacy by including a sculpted portrait, an image that can be touched and caressed. Or choose full color Cameo Portraits.

Your favorite photographs can be used...wedding or anniversary photos, family portraits or group shots, children, pets and action shots.

Create a biography, use favorite quotes or sayings, meaningful lyrics or a poem, a special tribute that enables future generations to learn about their heritage.

My Sister - My Best Friend

"Mary Margaret wasn't just my sister, she was my best friend, and very proud of her Irish heritage.

When designing her memorial, we were able to express Margie's Irish heritage with the Hunter Green finish and traditional Celtic emblems. The Irish blessing was the perfect complement. This memorial truly reflects my sister."

A Wife's Eternal Love

"I met Buck in 1943 when my USO troop was performing in Italy. It was magic when we were on stage together singing about the joys and struggles in life.

I never had any experience choosing a memorial before Buck passed away. What I liked best was that I could include an image of us along with our exact personal signatures. Plus, I was able to order the memorial large enough to include a tribute to the love I had for him."

Kitty Ryan Stevens

An Inspiring Son

"Joe was one incredible young man. Whenever I think of him, I don't cry, I usually laugh about some goofy thing he said or did. Joe lived life to the fullest.

The memorial we created for him is a celebration of his life. We included a ceramic portrait and emblems representing his musical interests, along with a verse we wrote about him. We were even able to put, 'we love you Joe' on the vase ring."

Premium Design TRIBUTES

The Premium Designs also allow choices of colors and ample space for a tribute or epitaph. For greater personalization, express religious devotion, careers and hobbies through the addition of emblems. Or, add a favorite photograph as a Cameo Portrait along with a matching vase for colorful floral tributes.
