NOTICE TO PURCHASER

Resthaven Memorial Gardens assumes no responsibility for the finish on your marker. If cracks in vases occur because of freezing, Resthaven will not be responsible for their replacement. Also, if granite foundations crack, with the fault of Resthaven or it's staff, including by way of vandalism, theft, riot, war or natural disaster, Resthaven will not be responsible for the replacement thereof. Resthaven is responsible for repair or replacement of any memorial damaged or improperly set by Resthaven Memorial Gardens or Resthaven employees. I hereby certify that I am authorized to purchase and cause the installation of the above-described memorial to be placed on the lot specified above. If compliance is not met, we will not install the memorial.

All memorials must be inspected by Resthaven before acceptance for installation, and Resthaven reserves the right to reject any which do not comply with these requirements.

The alloy of bronze should consist of:

Not less than 87% Copper
 Not less than 5% Tin
 Not more than 2.5% Lead
 Not more than 5% Zinc

*** All other elements in total not to exceed 1%

All virgin metals must be used and mixed to a uniform alloy at proper temperature. The Cemetery reserves the right at any time to require a chemical analysis by the memorials dealer or manufacturer.
